Hi Everybody,

Still in this Nursing Home and hating it. I get so frustrated, humiliated and bored!

Now I can wish you a Merry and Happy Christmas and all the best for 2004.

Occasionally I am able to get home which is quite a thrill. The place looks wonderful. The garden is very colourful thanks to John, Beryl, Noel and my wonderful cousin Judy.

I'm afraid I have gone backwards this year with regards to walking, although I now have an electric wheelchair which gives me a little more mobility.

David is still a source of power for me. I'd like also to thank Keran for her help with my Christmas correspondence.

I wish you all a very merry Christmas and a Happy New Year,

Love,

Peter
