Hello everybody,

Just a short note this year as I know you don't like reading all the *crap* that I normally send!!

This has been another uneventful year except for three things that stand out.

Firstly, I'd like to thank Russell Hill (from Canada) who called in a few weeks ago. It was a thrill to catch up with Russell as I hadn't seen him for nearly six years.

Secondly, my best friend, John Bedford, who I praised last year for taking me out on Saturday afternoons, has been very sick this year and unfortunately I have not been out for several months.

The third thing was the surprise birthday gathering of my 'family' from Whitebridge High School (Newcastle). Seven of my ex-students hired a penthouse nearby and spent a lot of time with me to celebrate my 78th birthday. It was a wonderful surprise!

As usual, I would like to thank all those who have visited &/or assisted me in any way over the last year. I won't list them all – they know who they are.

I would like to wish you a Merry Christmas and a very healthy and prosperous New Year.

Love,

Peter
